

**GENERAL  
STRUCTURES  
INC**  
A DWM COMPANY

# Contact Information

At General Structures, Inc. we have a non-traditional approach to managing our relationship with you. We call it “Inside Out.” This allows us to create a deep understanding of your organization — how you operate and what you need from us to be successful with our product line.

Our team knows a lot about poles (some may say they know more than anyone should). Lean on us for the information and support you need.

<b>TEAM MEMBER</b>	<b>TITLE</b>	<b>DIRECT DIAL</b>	<b>E-MAIL</b>
<b>PARTNER RELATIONS MANAGEMENT</b>			
Support for the overall needs of our relationship with your agency — from managing your sales contract, maintaining your monthly Partner Scorecard, conducting CEU courses, and providing in-the-field sales support to making sure your team is properly trained so everything runs as smoothly as possible.			
Mary Szydzik	Partner Relations Manager	586-218-6391	marys@polemfg.com
